About us Aula is the Learning Experience Platform for Higher Education. Where the LMS brought university content online, Aula makes it easy to bring great learning experiences online.

~~Aula — LinkedIn~~

Aula is a feminine noun, but you say el aula. Why? Because there is a rule that if the word starts with "a" or "ha" and the accent is on the first syllable, you must use "el" regardless of gender. Note that the plural changes to las aulas. Some other words that this rule applies to: el agua --> las aguas. el águila --> las águilas

Una de las ideas más extendidas en la España actual es que la Educación Primaria y Secundaria no está a la altura de lo que se espera de un país moderno y desarrollado, un mantra que se repite cada vez que se publica un nuevo informe PISA. Este reportaje intenta trazar una breve historia de los cambios que cada ley ha introducido en los últimos 45 años de enseñanza, desde que la Ley General de Educación modernizase el sistema de escuelas e institutos públicos hasta la reciente implantación de la LOMCE, dando voz a aquellos que paradójicamente suelen ser excluidos del debate educativo, sus profesores. Estos explican las dificultades y alegrías de su trabajo diario y la evolución que se ha producido durante las últimas décadas, y dejan la puerta abierta a innovaciones metodológicas que anuncian, en el corto plazo, un nuevo panorama educativo.
