Chicago soul is a style of soul music that arose during the 1960s in Chicago. Along with Detroit, the home of Motown, and Memphis, with its hard-edged, gritty performers, Chicago and the Chicago soul style helped spur the album-oriented soul revolution of the early 1970s. The sound of Chicago soul, like southern soul with its rich influence of black gospel music, also exhibited an unmistakable gospel sound, but was somewhat lighter and more delicate in its approach. Chicago vocal groups tended t

In soul music ... Mayfield's Impressions, prime movers of Chicago soul, added their own sense of social consciousness to the soul music movement, notably in "Keep On Pushing" (1964) and "People Get Ready" (1965). By the decade's end even Motown, the most conservative of the soul labels, had begun to release issue-oriented records, especially...

Chicago soul | American music | Britannica

Though success in anything gives birth to many parents, Chicago makes the strongest claim as the "Home of Soul Music." Its artistic roots and commercialization began here. Described succinctly, Soul formed in the merger of Chicago's Gospel and Blues traditions. The Father of Gospel Music, Thomas A. Dorsey, as music director Pilgrim Baptist Church, he wrote more songs sung in Black churches than any other composer.

soul music | Definition, Songs, Artists, & Facts | Britannica

Soul music is a genre of African American popular music that led to many later genres, from funk and dance music to hip hop and contemporary R&B. It developed in the USA in the late 1950s from African American church music called "gospel music". After slavery ended in 1865, African Americans weren't welcome in the churches of white Americans, so they built their own churches and sang Christian songs with African-American vocal styles and rhythms.

History of Soul Music | Vocabulary | EnglishClub

Soul music is a popular music genre that originated in the African American community throughout the United States in the 1950s and early 1960s. It combines elements of African-American gospel music, rhythm and blues and jazz. Soul music became popular for dancing and listening in the United States, where record labels such as Motown, Atlantic and Stax were influential during the Civil Rights Movement. Soul also became popular around the world, directly influencing rock music and the music of Af

America must find its soul - Chicago Sun-Times

Some music historians call the African-American sounds that emerged in Chicago in the mid-'60s and thrived for the next decade and a half "soft soul." This always has seemed like a misnomer to me, both in terms of the fiery passion inherent in the best music and the hard-hitting messages of the lyrics.
