Circular shapes represent a need to find unity. "I feel left out in this world." That's what your doodles say about you. If you draw circles unconsciously, this probably means you're in need of a friend and some attention, which, in the end, may lead to depression, so take care.

What Do Your Doodles Say About You? - BrightSide
Doodling helps relieve boredom and frustration and the urge to doodle gets stronger as stress levels rise. Doodling is like a safety valve that allows pressure to be dispelled in a playful and creative way. Doodling has been defined as 'to scribble or draw aimlessly, to play or improvise idly'

The circle appears in every culture as an archetypal form representative of the eternal whole. With no ending or beginning, it revolves in an eternal cycle and is linked to the sun-disk and the attendant concepts of the yearly cycle, the moon, and the wheel, so it's often used to represent the sun (especially with rays) or the full moon. In some symbol systems it also represents the universe.

This interactive journal can be passed around yearbook-style, allowing BFFs to document the tight bond they share by contributing to each other's books. Perfect for slumber parties or after-school hangouts, the colorful prompts encourage girls to work both together and independently to ponder, doodle, and collage. Illustrations. Consumable.

"For Coloring Book Graduates!" What comes to mind when you think of a circle? Depending on its size, it could be a planet, a manhole cover, an orange, a leopard's spot. What if there are lots of circles on a page? Depending on how they're placed, they might suggest a galaxy of stars or a bunch of grapes, a flea circus, or a polkadotted dress. It all depends on who is doing the looking. A follow-up to 100 Things to Doodle With a Triangle, this is the second in a series of draw-in books based on geometric shapes. 100 Things to Draw With a Circle is a doodling book that loosens the imagination, and inspires creative thought. Circles and other basic geometric shapes are at the core of art, they're the structures where form and drawing begin. In this book, illustrator Sarah Walsh provides

Read PDF Doodle Circle

you with circles that appear as prompts on every page: one or many, large and small, colorful or not, peeking from the bottom or tumbling from the top -- you fill in the rest. If one triangle suggests a game of checkers and another a snowman, one a drop of rain in a puddle, or another a patch of dandelions, a circle is meaningless until you decide what it wants to be. The simplest of shapes brings you back to the basics and lets you create anything you can see in your imagination. Abstract or realistic, minimal or over-the-top, there are no wrong choices in this book -- and you don't have to be a master at drawing. Pick up your pencil, see what the shapes suggest and where your imagination leads you.

This workbook draws on CBT and creative therapy methods to help children aged 8+ understand their worry and anxiety. Featuring 50 fun and engaging doodling activities, this book allows young people to tune into their worries and their sources, using creativity to process anxiety, and building confidence to find their own solutions. This exploration can be independently led by the child themselves or with guidance from a parent or professional. Drawn from over 15 years of experience of supporting young people with anxiety, this workbook takes an integrative approach and is a valuable resource for anyone looking to support a child experiencing worry.

Many people want to lead more creative lives but find it difficult to make creativity a daily exercise. In *Year of the Doodle*, Dawn DeVries Sokol solves the problem with a year's worth of interactive prompts—starter doodles, quotes, questions, and fun exercises, all on Sokol's well-loved painted backgrounds, interspersed with collaged bits of ledger, graph, and notebook paper—meant to get would-be doodlers interacting with their sketchbooks daily. Opening with ideas for jump-starting the doodle habit, *Year of the Doodle* is not linked to a particular year like a calendar—instead, a year's worth of entries are numbered sequentially so doodlers can start and finish whenever they want to jump-start their creativity.

Doodle Zen: Finding Your Creativity and Calm in a Sketchbook will inspire new and nonstop doodlers alike to use doodling as a way to escape and de-stress. The book begins with a discussion of how to power down and tune out using doodling as a method for finding your "zone" and includes a list of suggested materials, tips/techniques, and inspirations for doodles and words. Doodlers will let their minds wander and relax while filling pages adorned with soft, muted backgrounds, calming quotes, and Mehndi-inspired doodles. With prompts and starter suggestions for getting your creativity flowing, *Doodle Zen* is the ultimate retreat for the busy mind.
