At long last, the archives of the Little Egypt Ghost Society and the Gaslight Ghoul Club have been opened. Within these pages, uncover the secrets behind some of southern Illinois' most famous ghost stories and legends. Bruce and Lisa Cline expose the truth behind the Murphysboro Mud Monster, present evidence of paranormal activity at places such as the Rose Hotel, Oakland Cemetery, and Harrisburg's Cinema 4, and explain the history behind some of southern Illinois' most controversial and eccentric figures. From the Old Slavehouse, to the Rose Hotel, to the Woodlawn Sarcophagus and beyond, join the Little Egypt Ghost Society as they explore some of Illinois' oldest and most interesting places!

Hauntings are believed to be created from violence and bloodshed. And from the beginning, the Prairie State was a place where death thrived, and mysteries became commonplace. Illinois was the home of ancient peoples know as Moundbuilders whose only legacy is silent graves and many unsolved mysteries. The French left behind their own ghostly stories after their displacement by the Americans in the 1700s and countless slaughters such as the Dearborn Massacre gave birth to tales of horror that live on in the history of Illinois. Eerie occurrences, spooky events, unsolved mysteries, and terrifying specters haunt Illinois. Tales of headless horsemen, haunted castles and a penitentiary occupied by ghosts chill the spines of visitors. Haunted Illinois explores the Prairie State 's paranormal side and serves as a guide to its haunted places.

For nearly two decades, Troy Taylor has been chronicling the haunted history of Illinois, from its ghost-infested houses to its abandoned graveyards and beyond. In this volume of hauntings from the Prairie State, Taylor has recruited the staff of the award-winning Illinois Hauntings Tours to submit stories and accounts of their favorite haunts from every corner of the state, resulting in a collection of tales from Taylor and the motley crew that have never appeared in any other book in the Haunted Illinois series before! Traveling from one end of the state to the other, the book reveals little-known tales from Southern Illinois of ax murders, brutal slayings, mysterious ghost lights, haunted historic sites and more. In Central Illinois, tales of Jacksonville appear in print for the first time, along with hauntings of the James Eldred House, the Great River Road Opry, Greene County Almshouse, Ghost Hollow, Towanda Meadows, Coliseum Ballroom and others. Taylor also adds new stories to the spectral list from Northern Illinois, including Joliet Penitentiary, Marion Lambert, the Naperville Train Crash of 1946 and many others. This is a book that is not for the faint of heart and one that shouldn't be missed by anyone with a fascination with true Illinois ghost stories!

In his first book, Bruce Cline opened the archives of the Little Egypt Ghost Society and the Gaslight Ghoul Club for the first time. Now, join him again as he brings you all new tales of southern Illinois' most notorious places and historical events. You may have heard of John Crenshaw, Little Egypt's notorious slave owner, but did you know that he may have been responsible for the haunting screams emanating from the mysterious Pig Island? Have you heard the story behind the bloody Harpe Brothers, or braved Tuttle Bottoms and its monster? From Southern Illinois University's hidden tunnels, to the Gates of Hell, to the stomping grounds of the Hamp Mine Monster and beyond, join the Little Egypt Ghost Society as they explore some of Illinois' oldest and most interesting places!

Chicago Haunted Handbook is the newest book in the Haunted Handbook line within the popular America's Haunted Road Trip series. The Haunted Handbooks are city-specific travel guides to nearly one hundred places within a major city. Chicago Haunted Handbook is written with the ghost enthusiast in mind. All 100 chapters contain information on the history as well as the haunting surrounding each location, as well as detailed directions on how to locate each site. Many of the chapters also contain insider information that only a local would know, making it easier for ghost hunters to investigate. Ghost hunters Jeff Morris and Vincent Shields explore all the best haunted locales Chicago has to offer, including Resurrection Cemetery, Bachelor's Grove Cemetery, Murder Castle, St. Valentine's Day Massacre Site, and even Wrigley Field. Each two page entry includes directions from downtown, an historical overview of the haunted place, the story of ghostly doings in that place, and advice on visiting the place yourself—if you dare.

An organized and comprehensive guide to Illinois' haunted and legendary places, Haunting the prairie contains 130 mystery sites and 60 individual illustrations and maps, plus a bibliographic timeline of paranormal and folklore research in Illinois. The author examines the sites and the history, as well as the hobbyists and professionals who explore the strange and unusual in the state. Divided among eight distinct regions and listed by county, each location features a description, directions, and information drawn from a diverse variety of books and articles.

The Mysterious Midwest: Illinois Ghost Stories Featured Stories: The Flying Flowers The Haunted Cornfield The Night Bells Haunting at Old Chicago Book Preview: The Haunted Antique Store Skepticism is common. Most people need to have personal experience to be truly convinced of paranormal activity. Jane was certainly no exception. As a child in the oldest neighborhood farmhouse, creaking floors and stairs were common. Doors sometimes closed on their own, and occasionally lights flickered. All these things were attributed to the older construction. Her childhood sweetheart would tell stories of ghostly experiences. Jane felt as though she couldn't fully believe without her own experience. Some tales seemed so incredibly unlikely that belief seemed impossible. Jane married her childhood sweetheart, and began working in an antique store. The building was an ancient, extravagant mansion, with 5 large bedrooms, and even a foyer and a parlor. The front door opened to a wide, beautiful staircase, and bells rang to signal customers entering and leaving. Upstairs was a hallway, complete with a bannister that traced an arc across the length of the house down the back stairway, and ending in the kitchen. Download Your Copy Today!!!!

Established in 1831, Naperville is one of the oldest settlements in the Greater Chicago area. The city's rich and fascinating heritage has been carefully passed down from one proud generation to the next: however, nowhere has Naperville's ghostly oral tradition and haunted history been preserved until now. Most of Naperville's unique legends—compiled for the fi rst time ever in these pages—arose from accounts of actual historic events and from the lives of notable personages in the city's long history. As the tragic events and persons faded from living memory, all that might remain of them would be ghost stories whispered by fi relight and, later, by fi ashlight tucked under a teenager's chin at slumber parties. Some eerie legends in these pages have origins that are lost in time, and still other hair-raising ghost stories included in this work are chilling contemporary, firsthand accounts of paranormal encounters within Naperville's sprawling boundaries. . . . perhaps from even just down the street.
