Into the Forest Quotes by Jean Hegland - Goodreads

Into the Forest is the tale of these two sisters and how they endure — the threat of starvation, the loss of their mother to cancer and their father to an accidental death, the threat of desperate intruders, and most of all, the internal struggle to fend off despair, and the tenuous bond between two sisters.

NOW A MAJOR MOTION PICTURE • Set in the near-future, *Into the Forest* is a powerfully imagined novel that focuses on the relationship between two teenage sisters living alone in their Northern California forest home. Over 30 miles from the nearest town, and several miles away from their nearest neighbor, Nell and Eva struggle to survive as society begins to decay and collapse around them. No single event precedes society's fall. There is talk of a war overseas and upheaval in Congress, but it still comes as a shock when the electricity runs out and gas is nowhere to be found. The sisters consume the resources left in the house, waiting for the power to return. Their arrival

Access Free Into The Forest Jean Hegland

into adulthood, however, forces them to reexamine their place in the world and their relationship to the land and each other. Reminiscent of Margaret Atwood's *A Handmaid's Tale*, *Into the Forest* is a mesmerizing and thought-provoking novel of hope and despair set in a frighteningly plausible near-future America. Praise for *Into the Forest* “[A] beautifully written and often profoundly moving novel.”—San Francisco Chronicle “A work of extraordinary power, insight and lyricism, *Into the Forest* is both an urgent warning and a passionate celebration of life and love.”—Riane Eisler, author of *The Chalice and the Blade* “From the first page, the sense of crisis and the lucid, honest voice of the . . . narrator pull the reader in. . . . A truly admirable addition to a genre defined by the very high standards of George Orwell's 1984.”—Publishers Weekly (starred review) “Beautifully written.”—Kirkus Reviews “This beautifully written story captures the essential nature of the sister bond: the fierce struggle to be true to one’s own self, only to learn that true strength comes from what they are able to share together.”—Carol Saline, co-author of *Sisters* “Jean Hegland’s sense of character is firm, warm, and wise. . . . [A] fine first novel.”—John Keeble, author of *Yellowfish*

Set in the near-future, *Into the Forest* is a powerfully imagined novel that focuses on the relationship between two teenage sisters living alone in their Northern California forest home. Nell and Eva live alone in the forest. Recently orphaned and completely isolated, they struggle for normality in a post-holocaust world where electricity is a thing of the past and the outside world a distant memory. In one short

Access Free Into The Forest Jean Hegland

year, this normal teenage lives have been transformed as everything we consider necessary to civilization crumbles. Without petrol or electricity they are forced into seclusion, and adolescent dreams of ballet school and Harvard are displaced by the reality of learning to survive. Nell and Eva wait for the power to come back and the world they understand to return, but as time goes on they are forced to realize that 'civilization' is perhaps nothing more than a temporary condition, a 'fugue state' the world has allowed us. At once a poignant and lyrical portrayal of the power of sisterly loyalty and a horrifying cautionary tale about the future of man and his place in the world, INTO THE FOREST is a deeply moving account of human nature and our fragile existence on earth.

The acclaimed author of Into the Forest mines our fears and explores our capacity to love in this epic tale of modern motherhood. Young and pregnant, Cerise and Anna make very different decisions about how to direct their lives. While teenaged Cerise struggles to support herself and her young daughter, Anna finishes college, marries, and later gives birth to two daughters of her own. After the birth of her second child, a tragic accident tears Cerise's life apart, and she loses her already tenuous position in society. As the story progresses--and Cerise's and Anna's lives interweave and inexorably approach each other--both women are dramatically, forever changed. Unforgettable, awe-inspiring, and grippingly honest, Windfalls is a daring and mesmerizing tale.

NATIONAL BESTSELLER • "Rutherford brings

Access Free Into The Forest Jean Hegland

England's New Forest to life" (The Seattle Times) in this companion to the critically acclaimed *Sarum*. From the time of the Norman Conquest to the present day, the New Forest, along England's southern coast, has remained an almost mythical place. It is here that Saxon and Norman kings rode forth with their hunting parties, and where William the Conqueror's son Rufus was mysteriously killed. The mighty oaks of the forest were used to build the ships for Admiral Nelson's navy, and the fishermen who lived in Christchurch and Lymington helped Sir Francis Drake fight off the Spanish Armada. The New Forest is the perfect backdrop for the families who people this epic story. The feuds, wars, loyalties, and passions of many hundreds of years reach their climax in a crime that shatters the decorous society of Bath in the days of Jane Austen, whose family lived on the edge of the Forest. Edward Rutherford is a master storyteller whose sense of place and character—both fictional and historical—is at its most vibrant in *The Forest*. "As entertaining as *Sarum* and Rutherford's other sweeping novel of British history, *London*."—The Boston Globe

An "ethnographic" novel that portrays life in California's Napa Valley as it might be a very long time from now, imagined not as a high tech future but as a time of people once again living close to the land.

"A moving, beautiful story about what persists and what doesn't, about what can be repaired and what can't." —Karen Joy Fowler, author of *We Are All Completely Beside Ourselves* Until John Wilson met

Access Free Into The Forest Jean Hegland

the warm, wise woman who became his fourth wife, the object of his most intense devotion had always been the work of William Shakespeare. From his feat of memorizing *Romeo and Juliet* and half a dozen other plays as a student to his evangelical zeal as a professor, John's faith in the Bard has shaped his life. But now his mental powers have been diminished by dementia, and his wife has reluctantly moved him to a residential care facility. Even there, as he struggles to understand what's going on around him, John's knowledge of the plays helps him make sense of his fractured world. Yet, when his only child, Miranda—with whom he has not spoken since a devastating misunderstanding a decade ago—comes to visit, John begins to question some of his deepest convictions. In his devotion to Shakespeare, did he lose his way? Did he wrong the child who wronged him? The story of an imperfect father and a wounded daughter's efforts to achieve some authentic connection even now, *Still Time* is a rare novel that celebrates redemption and ends on a resounding note of hope, reminding us that there is always time to live fully and love deeply, so long as we are alive.

Fictional accounts of the end of the world rarely explore the end of humanity; instead they present the end of what we now know and the opportunity to start over. *Postapocalyptic Fiction and the Social Contract: 'We'll Not Go Home Again'* contends that postapocalyptic fiction reflects one of our most basic political motivations and uses these fictional accounts to explore the move from the state of nature to civil society through a Hobbesian, a Lockean, and a Rousseauian lens.

In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, "The Handmaid's Tale" is at once a mordant satire and a dire warning. "From the Hardcover edition."

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People • O: The Oprah Magazine • Financial Times • Kansas City Star • BookPage • Kirkus Reviews • Publishers Weekly • Booklist NEW YORK TIMES BESTSELLER "A stunner."—Justin Cronin "It's never the disasters you see coming that finally come to pass—it's the ones you don't expect at all," says Julia, in this spellbinding novel of catastrophe and survival by a superb new writer. Luminous, suspenseful, unforgettable, The Age of Miracles tells the haunting and beautiful story of Julia and her family as they struggle to live in a time of extraordinary change. On an ordinary Saturday in a California suburb, Julia awakes to discover that something has happened to the rotation of the earth. The days and nights are growing longer and longer; gravity is affected; the birds, the tides, human behavior, and cosmic rhythms are thrown into disarray. In a world that seems filled

Access Free Into The Forest Jean Hegland

with danger and loss, Julia also must face surprising developments in herself, and in her personal world—divisions widening between her parents, strange behavior by her friends, the pain and vulnerability of first love, a growing sense of isolation, and a surprising, rebellious new strength. With crystalline prose and the indelible magic of a born storyteller, Karen Thompson Walker gives us a breathtaking portrait of people finding ways to go on in an ever-evolving world. “Gripping drama . . . flawlessly written; it could be the most assured debut by an American writer since Jennifer Egan’s *Emerald City*.”—The Denver Post “Pure magnificence.”—Nathan Englander “Provides solace with its wisdom, compassion, and elegance.”—Curtis Sittenfeld “Riveting, heartbreaking, profoundly moving.”—Kirkus Reviews (starred review) Look for special features inside. A 2021 National Jewish Book Award Finalist One of Smithsonian Magazine's Best History Books of 2021 "An uplifting tale, suffused with a karmic righteousness that is, at times, exhilarating." —Wall Street Journal "A gripping narrative that reads like a page turning thriller novel." —NPR In the summer of 1942, the Rabinowitz family narrowly escaped the Nazi ghetto in their Polish town by fleeing to the forbidding Bialowieza Forest. They miraculously survived two years in the woods—through brutal winters, Typhus outbreaks, and merciless Nazi raids—until they were liberated by the Red Army in 1944. After the war they trekked across the Alps into Italy where they settled as refugees before eventually

Access Free Into The Forest Jean Hegland

immigrating to the United States. During the first ghetto massacre, Miriam Rabinowitz rescued a young boy named Philip by pretending he was her son. Nearly a decade later, a chance encounter at a wedding in Brooklyn would lead Philip to find the woman who saved him. And to discover her daughter Ruth was the love of his life. From a little-known chapter of Holocaust history, one family's inspiring true story.
