Not long ago, projections of how office technologies would revolutionize the production of documents in a high-tech future carried many promises. The paperless office and the seamless and problem-free sharing of texts and other work materials among co-workers were just around the corner, we were told. To anyone who has been involved in putting together a volume of the present kind, such forecasts will be met with considerable skepticism, if not outright distrust. The diskette, the email, the fax, the net, and all the other forms of communication that are now around are powerful assets, but they do not in any way reduce the flow of paper or the complexity of coordinating activities involved in producing an artifact such as a book. Instead, the reverse seems to be true. Obviously, the use of such tools requires considerable skill at the center of coordination, to borrow an expression from a chapter in this volume. As editors, we have been fortunate to have Ms. Lotta Strand, Linköping University, at the center of the distributed activity that producing this volume has required over the last few years. With her considerable skill and patience, Ms. Strand and her work provide a powerful illustration of the main thrust of most of the chapters in this volume: Practice is a coordination of thinking and action, and many things had to be kept in mind during the production of this volume.

As *I Lay Dying* is Faulkner's harrowing account of the Bundren family's odyssey across the Mississippi countryside to bury Addie, their wife and mother. As they carry Addie in a homemade coffin, pulled along by a team of mules, the Bundrens are haunted by greed and fear—their journey both

mocks and confirms our humanity. Their story is told in turn by each of the family members—including Addie herself—as well as those they encounter on their way. This fractured viewpoint epitomizes Faulkner's visceral modernist style, as the varied voices reveal secrets, expose desires, and bring back the dead. A benchmark achievement and one of the most influential novels in American fiction, *As I Lay Dying* not only endures but prevails. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. Find more today and rediscover books you never knew you loved.

Increase students' ability to comprehend spoken Spanish; express their ideas & opinions; and analyze cultural perspectives while challenging fixed beliefs and cultural stereotypes. These outcomes motivated the respected author team of *Así lo veo*, the first Intermediate Spanish program to use a documentary, filmed specifically for the program, as the basis for instruction and learning. Since a documentary captures real situations and personal perspectives it is the perfect vehicle for increasing student engagement. With *Así lo veo*, the documentary motivates the presentation of content—vocabulary, grammar, and culture—and by extension, the learning. Specifically, *Así lo veo* documents how six Spanish speakers view timely, provocative themes. Because these are everyday people, not actors, they bring unscripted, real language as well as fresh ideas to the context of learning Spanish.
