MORE! is a four-level course from a highly respected author team that's bursting with features for lower secondary students. The Teacher's Resource Pack contains unit tests, review tests, and term tests, as well as entry-level tests and end-of-year tests. There are extra grammar practice and communication activities for each unit of the course. The free Testbuilder CD-ROM/Audio CD allows teachers to create their own tests. They can preview each test question before selecting it, and can create 'A' and 'B' versions of each test so that students sitting next to each other don't share answers. Exam skills (KET-, PET- and Trinity-style) questions are also available.

Introduce students to the basic elements of grammar with activities that cover parts of speech and composition. Motivate students by focusing on the goal of good grammar--accurate and effective communication.

Strong language skills are essential to success in school and life. Knowing the elements of language and understanding how they work together greatly enhances all language-based abilities. Grammar Practice Simplified Book D is designed to help students use the parts of speech correctly in speaking and writing. Students review the kinds of sentences; then they study nouns, pronouns, and verbs and use these elements in sentences. Students are introduced to subjects and predicates, adverbs, and adjectives. Punctuation is covered in detail, including correct use of the period, question mark, exclamation point, comma, and apostrophe. Capitalization of sentences, proper nouns, and proper adjectives is reviewed. Some activities encourage students to write independently. Readability has been carefully controlled for younger students, but the approach and design make the book useful for older, language-delayed students or students who speak English as a second language. Answers are provided at the back of the book. Book D is Grades 5-6.
