Like our times, Brown's life is complicated, contradictory, full of irritations, frustrations and even rage. But as this absorbing memoir makes clear, he is also a man who, in both his willingness and ability to tackle the most pressing questions of our age, towers over those who currently fill the political stage...

One thing that quickly becomes evident on reading *A Life in Our Times* is that John Kenneth Galbraith is enormously impressed with the accomplishments of John Kenneth Galbraith. And you can't really fault him for it. I've met plenty of people who are far more impressed with themselves than they have any right to be.
