Logitech Harmony 300 Quick Start Manual

Your Harmony 300 allows you merge the remotes of up to 4 of your home entertainment devices into one so you can, and should! keep those other remotes out of sight. The Harmony software will guide you through entering the manufacturer and model numbers of your home devices so Harmony understands how to control them. It then helps you create your Watch TV Activity (or scene) so you're only one-button away controlling your devices.
