NetworX | Control Panels

The NetworX line of alarm systems has survived multiple business purchases to make it to today where it is owned and manufactured by Interlogix. NetworX is a hardwired hybrid system, very similar to the Honeywell Vista and DSC PowerSeries. This means that in its base configuration out of the box it is a hardwired system.

Interlogix NetworX Alarm System Guide

Nothing frustrates alarm customers more than having security system issues that create a constant nuisance. In last week's post, we dove into Diagnosing Security System Trouble Signals on a Concord Panel. This week, we apply the same treatment to the NX-8 panel, another one of our most popular alarm systems.
