interruptions. No jobs, no phones, and no distractions. Just him and Lily...and some kinky fun.

Brianna and Stephan are settling into their new home outside of Le Sueur. The river that runs behind their house provides a peace Brianna had never found in the city. It's been three years since she stood in a courtroom and faced the man who'd held her captive and altered her life forever. Since then, she'd been trying to move on with her life...trying to find her way. The move was part of that. Too many people knew who Stephan was—who she was. They needed a fresh start. But demons are funny things. They follow you wherever you go. With the help of Stephan and a new therapist, Brianna will have to face the changes in her life and confront her fears.

Stephan has lived the lifestyle of a Dominant for five years. After several rebellious teenage years, it gave him the stability and control he had been seeking after his parent's death. As president of a not-for-profit foundation, he knows what his future holds and what he wants out of life. All that changes when a simple lunch with his college friend and mentor, Daren, leads him to buying a slave. Thrust into a situation he never thought he'd be in, Stephan can't walk away. He is compelled to help this girl in the only way he knows how. Brianna knows only one thing: she is a slave. She has nothing. She is nothing. Can Stephan help Brianna realize that she is much more than just a Slave?

As Brianna comes to terms with the realization that she is no longer a slave, she must figure out what she wants for her life. Forgetting her past isn't an option. She knows she cannot imagine her life without the man who saved her, but can she be what he needs? Stephan never imagined falling in love with the woman he rescued. The scars from her past haunt

her, and he is helpless to stop them. Can he be everything she needs and help her move on?

This is the 3rd book in a 4 book series. For the last two months, Brianna has discovered something she never thought she would again. Hope. After the horror of being Ian's slave for ten months, a fate she never imagined she'd escape, it feels as if she is living a dream. She has freedom she hadn't expected to have again, and she wakes up every morning not fearing what the day will bring. There is also Stephan. The man who saved her from the daily torture she had to endure at the hands of Ian and his friends. The same man who makes her heart race with just the thought of him. Life is good. Outside forces are determined to conspire against them, however. When Brianna's father shows up on her doorstep, it sends her world spiraling out of control. He brings with him new information about how Brianna ended up in Ian's clutches, but will it make a difference? Will Stephan be able to find a way to make Ian pay for all he made Brianna suffer? As Brianna and Stephan try to find out the truth, their relationship is tested. She is forced to face her past head on, and deal with the ugly reality of what happened to her. Will Stephan's love be enough to see her through her newest challenge, or will the fragile trust they've built come crumbling down around them as the truth makes itself known.

His sharp attitude the first time they meet puts her on edge, but then he goes and offers her a job at his construction company. The more they work together, the more the lines between professional and personal begin to blur and she finds herself letting her guard down. . As they turn up the heat on their relationship, she finds herself forced to confront her insecurities...and the secrets she's been trying to put behind her. But just as Elizabeth thinks she might get her second chance at finding love and a happily ever after, someone from her past has decided they aren't ready to let go.

Brianna is lost for the fourth time in her life. The first life-altering event occurred when her mother died. The second was when she was kidnapped at the age of seventeen and forced to be a slave. She would never forget those ten months. Everything changed again the day Stephan steamrolled into her life. That first month with him was, in some ways, more confusing than the prior ten. As a slave, she'd known her place. With Stephan everything was new and different. He'd given her freedom and so much more. Five months after Stephan rescued her, Brianna once again finds her life flipped upside down. In this fourth, and final, installment of Finding Anna, Brianna must unearth strength she never knew she possessed. She must learn to trust herself, embrace who she is, and discover who she wants to be. Only by facing her demons can Brianna find true happiness and peace.
